

TRIDENT BRANDS INC. SUBSIDIARY BRAIN ARMOR RECEIVES HEALTH CANADA APPROVAL TO SELL AND DISTRIBUTE IN CANADA

Brookfield, WI - (NewMediaWire) - October 2, 2018 - Trident Brands Inc. (OTCQB: TDNT), a biotech and nutraceutical company, announced it has received authorization to sell and distribute their Brain Armor brand in Canada. Health Canada has granted Brain Armor an NHP (Natural Health Products) License for their premium line of brain health supplements (soft gel and adult liquid dosage forms).

"We are extremely pleased to be able offer our Brain Armor products to Canadians after a successful introduction into the United States. As we continue to expand internationally, we see Canada as a very important market for us and look forward to bringing the Brain Armor story to all Canadians," says Anthony Pallante, CEO of Trident Brands.

About Brain Armor®

Brain Armor is on a mission to improve cognitive health, well-being and performance at every stage of life and on every field of play. Our products are clinically-proven dietary supplements formulated with healthy fats and vital nutrients, designed to support structural brain health and performance. Brain Armor products are vegetarian, made in the USA and are a regular part of many professional and elite amateur athlete and team conditioning programs. Brain Armor Inc. is a subsidiary of Trident Brands Incorporated (OTCQB: TDNT – tridentbrands.com).

Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the "safe-harbor" provisions of the Private Securities Litigation Reform Act of 1995 that are not historical facts. These statements can be identified by the use of forward-looking terminology such as "believe," "expect," "may," "will," "should," "project," "plan," "seek," "intend," or "anticipate" or the negative thereof or comparable terminology, and include discussions of strategy, and statements about industry trends and the Company's future performance, operations, and products. Such statements involve known and unknown risks, uncertainties and other factors that could cause the Company's actual results to differ materially from the results expressed or implied by such statements. Such risks and uncertainties include, without limitation, market acceptance of the Company's forthcoming line of nutritional products; the Company's compliance with applicable Food and Drug Administration regulations; the Company's reliance on third-party contractors to mix and produce its products; the Company's ability to develop an effective marketing strategy; the Company's ability to control advertising and marketing costs; the Company's ability to develop and increase awareness of its forthcoming brands; the success of the Company's marketing focus to retail buyers; the Company's exposure to product liability claims and intellectual property claims from third parties; and the Company's reliance on the expected growth in demand for its products. For a discussion of these and other risks and uncertainties see "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's public filings with the SEC. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. The Company has no obligation to update the forward-looking information contained in this press release.
